As founder of the firm in 1982, Bob oversees the daily operations of the firm as a chief designer and business manager. Published in several professional magazines and newspapers, he has received numerous awards for his design achievements. A registered architect in seven states, he is recognized as a specialist in retirement communities, health care facilities and churches. As a tribute to his accomplishments, he was chosen by Penn State University to serve on the Community Advisory Board of the Gerontology Center in the Department of Health and Human Development. In addition, the Evangelical Theological Seminary, Myerstown, PA has named its student lounge after him, "The Robert L. Beers Student Lounge." Bob is active in the community having served on a number of boards and charitable organization committees. Bob's outside interests including flying, tennis, and baseball.
